Re: Philanthropy Roundtable Funds Application

Dear Penny Harvest Coach:

Please read the following directions carefully and review them with your students **BEFORE** you start the roundtable process. Roundtables can make as many grants as they wish with their \$1,000 budget, but if your school has more than one roundtable, a separate application must be filed for each. The Penny Harvest Advisory Board approves all roundtable decisions, and will only review complete applications.

A complete application includes:

FORM A: Complete Roundtable Process Report, *signed by two Penny Harvest Leaders sitting on the roundtable.*

FORM B: Grant Decision Report *for each grant that you request.* There are two types of grants:

Community Grants fund organizations and programs that address genuine community needs. For example, \$250 for a food pantry for supplies and canned goods or \$700 for a local clinic to help fund their AIDS outreach program. Community grants may be used by charitable organizations to fund general costs (called “general operating”) or for a specific program or project. Community grants may not be awarded to the school and student groups or for sports and music clubs to buy equipment.

Service Grants are community grants that involve any form of student action. This includes funding ‘hands-on’ service projects that the roundtable, or another student group, implements, or providing a cash grant to an organization or cause that includes a volunteer service project. Not all projects require money. Your students may make a service grant for \$0.

Be sure to review page 53 in your curriculum guide for a complete description of community and service grants and to review the grant making guidelines.

FORM C: 2007-08 Penny Harvest Sign up Form

These forms must be completed and submitted to Penny Harvest by Wednesday, April 18th, 2007. **Checks will be sent to the school, attention Penny Harvest Coach. Please allow 2-4 weeks for processing.**

I look forward to seeing your students’ grants. Thank you for your assistance!

Sincerely,

Maryellen Ferro
Program Coordinator

Roundtable Process Report
